DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 12,13,15,16 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Stenild 4,607,579. Stenild clearly teaches a cash box with bill marking means comprising the structure and method as claimed. Specifically, Stenild comprises in Figure 3, an (explosive) spring force 9 which moves ink pack 4 into knives 20. It is submitted that a spring force or an explosive force is, by definition, a “mechanical” force.

Allowable Subject Matter

3. Claims 1,3-11 are allowed.

Response to Arguments

4. Applicant's arguments filed 1/25/06 have been fully considered but they are not persuasive. As set forth in the rejection above, it is maintained that the spring force or explosive force taught by Stenild is a “mechanical” force thus meeting the amended claim limitation. Accordingly, claims 12,13,15,16 stand finally rejected.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
